KNIGHTS OF COLUMBUS INSURANCE

From the Field Agent's Desk

The laws and rules of our Order, as well as state (provincial) laws, specify that the Knights of Columbus may accept insurance applications only from Knights of Columbus members. As a member, you may apply for insurance on yourself, your wife and your dependent, minor children.

The Order's Board of Directors has taken action, though, to assure that a brother Knights's widow maintains the right to purchase additional insurance for a limited time.

This "right to apply" is available only to the widows of insured members. If a member has not availed himself of our top-rated life insurance program, or purchased an annuity or long-term care policy, this benefit is not available to his widow.

Know two things. First, I'll assist your widow and children in any way possible if you should die, both with your Knights of Columbus insurance and any other life insurance you may have. Second, I'll provide them my best professional advice and service, to assure that they continue to have adequate insurance protection.

As a professional agent and a brother Knight, I have no greater responsibility.

I'm at 782-0889 or Richard.musto@kofc.org. Call me – let's talk.

Richard Musto, FIC, FICF, Field Agent

SPECIAL OLYMPICS

Special Olympics will be sponsored by the City of Utica and held on June 4th, 5th and 6th. The events will take place at MVCC and Utica College. This major event requires many volunteers from the community. Utica Council has agreed to provide the volunteers for one event. Grand Knight Mark Murphy will meet with officials soon to select the Knights of Columbus event.

Special Olympics is a favorite charity of Supreme Council and Utica could get some great publicity, as we help special athletes. Please call the Council office at 735-6171 or e-mail at kofc189@adelphia.net to add your name to the volunteer list.

*Many hands make light work . . .
let's have some fun with the special kids.*

307 GENESEE FUND – Stations of the Cross

This will be the ninth year of our 307 Genesee Fund. It was established in 2002 to defray operating expenses. This year we will use it for the installation of outside Stations of the Cross at St. Mary's. Construction has begun. The Stations have been built. They are in the Council office so please feel free to stop by and see what we have planned. The Stations will be adjacent to the current rectory, situated on a meandering (new) sidewalk through a beautiful section of lawn and trees. They will each have interior lights and the night-time exterior lighting will provide the ability for evening devotion throughout the year. The completion of the Stations will coincide with the 100-year Golden Anniversary of St. Mary's. The Bishop will be at St. Mary's on September 26, 2010 for the anniversary celebration and to bless the Stations of the Cross. Naming memorials are available: \$1000 for a Station; \$500 for each of six benches that will be placed throughout and the names of those who make donations of any amount will hang in the Council office. Please consider the Stations in making your annual 307 fund contribution.
