## FROM THE FIELD AGENT'S DESK

The past few weeks have brought massive uncertainty to our economic future. Stability and Certainty seemed to be the concern. I feel the need to bring to your attention something you can do right now to bring some stability and security to you and your loved ones. By opening a Knights of

Columbus Annuity for as little as \$300 it will guarantee you a return rate of 3%. And doing so now will lock in that rate, and it allows you to add funds to your account anytime you desire and maintain the 3% interest rate guarantee. Please go to the following link to hear a two minute message from Supreme Knight Carl Anderson.

## **NEW COUNCIL OFFICE**

Effective September 15, we will move the Council offices from the rear of the Church (the building known as the Cow Palace) to the new school. The offices will be located near the gymnasium, where the parish offices were located. The Parish has moved their offices to the former convent. The Parish has completely vacated the schools (old and new) as the Council has agreed to lease the school. We will have all Council activities in the new school. Our office in the Cow Palace will be used by the Parish. This new lease arrangement will assist the Parish to significantly reduce the operating expenses and consolidate Parish administration. The Council will have full and exclusive use of the school, including the gymnasium and cafeteria. We are very pleased to be part of this long-range plan. The new Pastor, Father Arthur, is very supportive of the Knights of Columbus. We are excited at the possibilities for future activities as we continue to adjust from 307 Genesee St.
